System Comparative Cost Analysis

| System Type | Construction Cost | Net \$ Electric Saved/Yr |
|--|-------------------|--------------------------|
| * Single Lagoon | \$301,333 | \$0 |
| * 2 Cell Lagoon | \$357,404 | \$0 |
| * Covered Single Lagoon | \$476,333 | \$0 |
| * Covered 2 Cell Lagoon | \$473,648 | \$0 |
| ** Methane Digester | \$375,000 | *** \$40,000 |
| | | |
| * Estimated cost for 5000 sow farm | | |
| ** Actual Construction Costs | | |
| *** Based on generator size and \$.0675/kw electric cost | | |
